Instructions to download and install Showcase Workshop Chrome App

Chrome apps are designed specifically for Chrome and only work in the Chrome browser. They allow you to take advantage of cutting-edge technology that is not available to traditional websites.

Requirements:

- **Google Chrome:** Google Chrome is a free web browser that takes just seconds to install. It's available for Windows, Mac, and Linux computers.
- **Google Account:** a free Google account is required to install Chrome apps – just as an iTunes or Android account is required. If you don't already have one the Chrome Store will prompt you through it.
- **Showcase Workshop log in:** your Showcase Administrator can provide this.

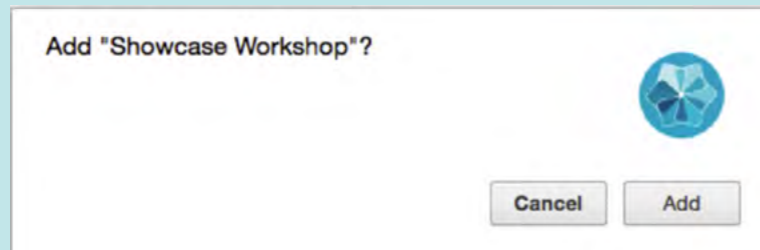

Step 1:

- Open the Chrome Web Store and search for '**Showcase Workshop**'. The Showcase Workshop app will come up in the results as below.

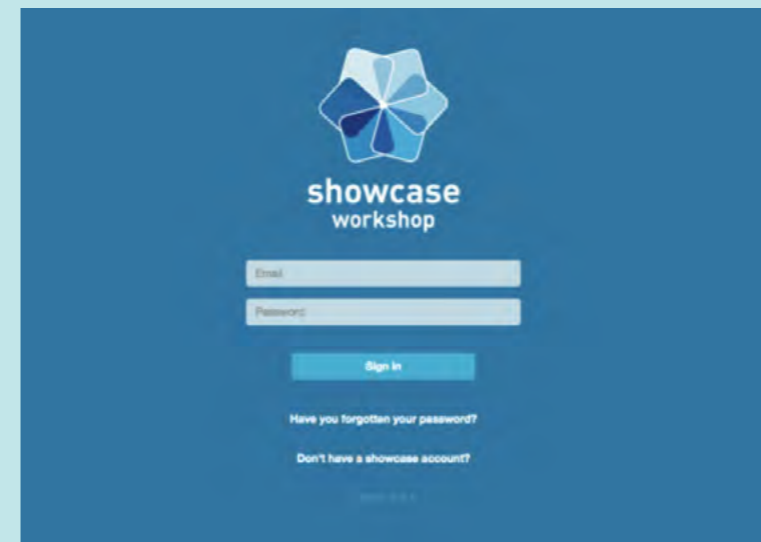

Step 2:

- Click the **+ Free** button to add Showcase to your Chrome Apps. You will be prompted to add the application as below.

- Enter your log in details or click **'don't have a showcase account?'** to sign up.

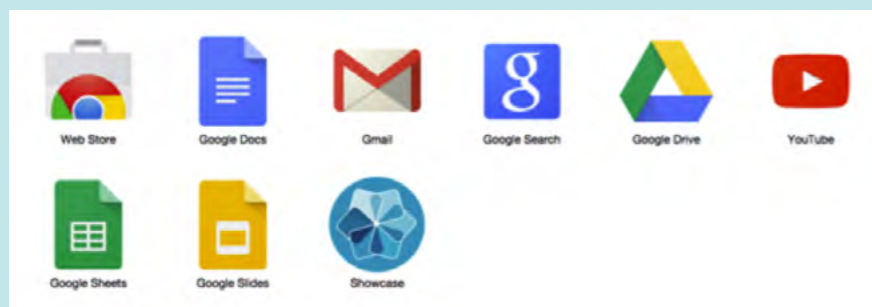

Step 3:

- Find the **Showcase Workshop** app via the Chrome App Launcher:

- Then click the icon to launch Showcase:

- Click the green cloud icon below your Showcase thumbnails to begin downloading, just as you would on your tablet:
